

You are an entrepreneur,

You want to take part of an exciting adventure,

You are passionate by ecommerce,

Get on board !!!

Our story starts here...

... INEO, from latin Inire : I start, I undertake, I launch myself into...

INEO Switzerland is looking for its e-commerce Manager!

As new Swiss Luxury Skincare brand for Men, we are looking for someone passionate by ecommerce to strengthen our core team along the founders' team, to take over the performance management of our ecommerce websites and online traffic over our different markets ...

Your missions :

- Optimize and take responsibility for traffic and online business volume for all targeted countries,
- Manage and optimize our ecommerce websites, propose and implement extra functionalities, content creation would be a plus,
- Manage subcontractors,
- Manage technical and business website partnerships to improve its performance,
- Drive decisions and manage implementation of all digital solutions,
- Manage social networks.

Your profile :

- Bachelor or Master education level with web design skills,
- With a technical background allowing you to deep dive into the website and optimize it on your own (standard ecommerce tools), you developed a business appetite and skills,
- Passionate about online tools, ecommerce is your focus,
- You like challenges and life in a start-up, you like autonomy, working hard and to have fun!
- You are fluent in English and German is a real plus.

Proposal :

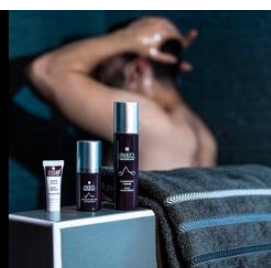

- To become part of the core team,
- To become shareholder through the incentive plan,
- Location: Flexible with base in Geneva Area,
- Remuneration: fix + performance based bonus.
